## Experience

---

### Full Stack JavaScript Developer

Golden Technosoft

Kathmandu, Nepal

Jun 2024 – Oct 2024

- Developed and maintained responsive web applications using React.js and Next.js, ensuring seamless user experiences across devices
- Implemented dynamic routing and server-side rendering with Next.js, optimizing website performance and SEO
- Led frontend state management using Redux, enhancing user interaction responsiveness
- Developed secure authentication and authorization mechanisms, ensuring robust user data protection

## Projects

---

### Artisan Nepal

(NextJS, PostgreSQL, Docker)

[doko-lake.vercel.app](#) 📄

- Developed and deployed server-side rendered applications using Next.js, enhancing SEO and performance
- Implemented secure authentication systems using NextAuth, integrating with Supabase/PostgreSQL for data management
- Utilized Docker for containerized development and deployment, ensuring scalability and consistent environments

### Forest Sports Arena

(React, Redux, Express, MongoDB)

[forestsportsandrecreation.com](#) 📄

- Designed and implemented an animated user interface using React and Redux, improving user interaction for booking and blogging features
- Integrated seamless backend with Express and MongoDB to support dynamic booking processes and enable integrated blogging functionality
- Enhanced user experience and fostered community engagement through intuitive UI and streamlined backend processes

### Content Management System

(React, Node, MySQL)

[CMS](#) 📄

- Developed an intuitive content management system using ReactJS, ensuring seamless updates and efficient content organization
- Built and optimized backend functionality with NodeJS, ExpressJS, and MySQL, using Sequelize ORM for database management
- Implemented data visualization features using ChartJS to streamline workflows and enhance user experience

## Skills

---

JavaScript, TypeScript, ReactJS, NextJS, Tailwind CSS, NodeJS, ExpressJS, MongoDB, MySQL, PostgreSQL

## Education

---

### Butwal Kalika Campus, Tribhuvan University

Bachelor of Computer Applications

Sept 2020 – Current
